Participant Dietary Restrictions

Complete this form **ONLY** if you as a participant or your child has a dietary restriction.

Please email this form at least **2 weeks prior** to your arrival to Amy Wilson at amyel3@uw.edu.

At Mount Rainier Institute, we strive to accommodate dietary restrictions to the greatest extent possible. Please list dietary restrictions on the permission slip and on this form. Include any food allergies, reactions to food and the appropriate treatment to be used.

If the restriction is for a medical reason, please be very specific in describing the extent of the restriction. For example, if the participant is allergic to eggs, is it just eggs as a dish (such as scrambled eggs) or does it include casseroles, breads, cakes, etc. that include eggs in the recipe? If the participant takes medication for the food allergy, can the food be eaten as long as the medication is taken? The more information we have, the better we can meet your needs.
