

Mount Rainier Institute

Lodging and Learning Form

This form is **due 1 week prior to your arrival date** and can be e-mailed to amye13@uw.edu

Cabin Assignments

The number of cabins is determined by gender and the original numbers on your program reservation agreement. There are eight individuals per cabin. One adult chaperone is required for each cabin. If your actual numbers are different from the program reservation agreement, please notify us immediately. You will be notified of your cabin number assignments once the attendance form has been received. The students should know their cabin assignments before arriving at Mount Rainier Institute.
